

# Columbia Eye

## *Refraction, Contact Lens, and Form Completion Fees*

The physicians of Columbia Eye provide comprehensive high quality eye care. Your exam today may include a **Refraction**, which is the part of the exam that calculates your glasses or contact lens prescription. **Medicare and most insurance companies do not pay for the Refraction, regardless of your diagnosis.** If you have a **Refraction** as part of your exam today **you will be responsible** for paying the \$40.00 charge along with your co-pay, co-insurance or deductible.

A **Contact Lens Fitting** is required for the physician to know what type of contact to prescribe. There is a fee for the **Contact Lens Fitting. Your insurance does not pay for this service** and **you will be responsible** to pay the appropriate fee along with your co-pay, co-insurance or deductible. The **Contact Lens Fitting** fees are listed below:

Gas Permeable Lens Fitting	\$130.00
Contact Lens Fitting – Standard (Spherical)	\$75.00
Contact Lens Fitting – Advanced (Monovision, Toric, Multifocal)	\$100.00
